**SUBJECT: REGARDING PG&E-23B-18. IMPROVING VEGETATION MANAGEMENT INSPECTOR QUALIFICATIONS**

**QUESTION 008**

- a. On page 590 of its 2026-2028 WMP, PG&E discusses how it will improve the qualifications and training of VM inspectors. PG&E writes that it has “implemented a process of profiling training courses within the VM organization based on personnel role and internal employee or contractor status.”
- i. Describe the “profiling” process.
  - ii. Define "profiling" in the context of "profiling training courses.”

**Answer 008**

- a.
- i. With the profiling process, Vegetation Management personnel are automatically assigned trainings based on their job titles.  
This process automatically adjusts training requirements when individuals are hired or change positions.
  - ii. Profiling in the context of “Profiling Training Courses” is defined as linking specific trainings to job titles.
